Punjabi University Patiala Mobile Application Privacy Policy

This privacy policy governs your use of the mobile applications that were created by Research Centre for Technology Development for Differently Abled Persons, Department of Computer Science, Punjabi University Patiala. Applications contain information, artwork, text, video, audio, or pictures ("Materials") used only for informational purposes. You must not modify or use the Materials for any other purpose without Punjabi University's express written consent.

Our privacy policy is subject to change at any time without prior notice. You are advised to review the policies periodically for any changes.

Information we collect

We are not obtaining any personal information while running this application. No data is stored anywhere.

When we say "Punjabi University Patiala," "our," "we," or "us," we're talking about Punjabi University Patiala. This Privacy Policy ("Privacy Policy") applies to all of our apps.

Automatically Collected Information

This application is not collecting any data.

Security

Although there is no chance of security breach while using our application but no security system can prevent all potential security breaches.

Your Consent

If we decide to change our privacy policy, we will post those changes on this page so that you are always aware of what information we collect, how we use it, and under what circumstances we disclose it.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at vishal.pup@gmail.com
